***Motion by Supervisor Kurth, seconded by Supervisor Pingel to approve the October 13, 2025, Regular Meeting Minutes as presented. All in favor. Motion carried.***

**4. Public Comments**

Jason Jankowski, with Marathon County, was present to ask about the brine storage tanks discussed at a prior meeting of the Town Board. The Town Board would consider them to be installed outside on the town property. Beck said he still had concerns with possible leakage and would like the county to make sure they have liability insurance. Jason said if this did not work out, they would take the tanks out. The board members were fine with Marathon County putting something together and bringing it back for the Board to review.

**5. New Business**

**a. Dog licensing fees**

Clerk Weinkauff reviewed the proposed fees with the Board. She also reviewed 174.05 of the state statutes regarding dog license tax. ***Motion by Supervisor Kurth, seconded by Supervisor Pingel to match the fees set by Marathon County to include \$20 for an unneutered/unspayed dog, \$12 for a neutered/spayed dog, \$12 for an unneutered/unspayed puppy and \$6 for a spayed/neutered puppy. All in favor. Motion carried.***

**b. Garbage and Recycling fees**

Beck indicated the town received a letter regarding the increase in 2026 landfill tipping fees. The town needs to increase the garbage/recycling fees to cover those costs. ***Motion by Supervisor Kurth, seconded by Supervisor Pingel to approve increasing the garbage/recycling fee \$15.00 per household. All in favor. Motion carried.***

**c. Presentation of bills for approval**

***Motion by Supervisor Kurth, seconded by Supervisor Pingel to approve and pay the bills as presented. All in favor. Motion carried.***

**6. Reports**

**a. Treasurer**

Neuendank reviewed her Treasurer Report dated 10/31/25 as well as the 2026 proposed budget.

**b. Fire Department**

Merriam said he received a quote on a thermal imager, and he is hoping to have a demo done soon. He also said the Fire Department received \$500 from the Lions Club. He will send a thank you letter. The donation will be used toward the purchase of the thermal imager.

**c. Clerk**

- **POWTS Maintenance Program Fee**

Clerk Weinkauff said she received an email regarding a \$6.00 annual fee that Marathon County instituted back in September for private onsite wastewater treatment system (POWTS) also known as a septic system. The purpose of the fee is to fund the state-mandated POWTS maintenance program. The fee will appear on the 2025 tax bills.

**d. Public Works**

Rob Weinkauff reviewed his Public Works report with the board.

**7. Remarks from Supervisors**

Kurth said moving forward she would like to see signs put up during road work for safety concerns. Beck will look into purchasing portable signs.

**8. Remarks from Chairman**

Beck indicated there would be open houses held in November by Marathon County relating to winter manure spreading.

Beck reported that WPS is working on a power upgrade and would like the town to trim the trees that are in the way. He said the trees are actually located on the Q&Z property.

Beck said Public Works Weinkauff is still working on installing the generators.

There will be an educational training presented by Marathon County Conservation, Planning and Zoning on December 4<sup>th</sup> regarding the permitting process.

**9. Adjourn**

***Motion by Supervisor Pingel, seconded by Supervisor Kurth to adjourn the meeting at 8:26 p.m. All in favor. Motion carried.***

**DATE:** November 11<sup>th</sup>, 2025

**TO:** Clerks and Chairs of Marathon County Towns

**FROM:** Shad Harvey, Land Resources Manager & Zoning Administrator

**SUBJECT:** 2026 COMPREHENSIVE REVISION TO THE *MARATHON COUNTY GENERAL CODE OF ORDINANCES: CHAPTER 17–ZONING CODE*

Marathon County Chapter 17 (Zoning Code) is required by ordinance to undergo a comprehensive revision every 10 years. The last comprehensive revision was completed in 2016. The Conservation, Planning & Zoning (CPZ) Department is responsible for preparing the updated code.

Most of the proposed revisions are intended to:

- Ensure consistency with Wisconsin Statutes
- Clarify implementation and enforcement procedures; and
- Address common issues identified through the permitting process since 2016

Additional amendments are based on responses from the surveys sent to County-zoned towns in February 2025 and direction from the Environmental Resources Committee (ERC).

The ERC began the revision process in May 2025. The goal is for the ERC and County Board to adopt the updated ordinance in January 2026.

Current draft documents are available on the Marathon County website:

<https://www.marathoncounty.gov/services/zoning>

### **Submission of Comments**

To help keep the revision process on schedule, please submit any written comments or feedback on the draft Zoning Code to [shad.harvey@marathoncounty.gov](mailto:shad.harvey@marathoncounty.gov) by Friday, January 2<sup>nd</sup>, 2026. Resolutions or meeting minutes (these can be draft minutes) are preferred.

### **\*NEW\* Fence Height Amendment – Additional Town Feedback Requested**

A recent amendment has been brought to the ERC for consideration to adjust regulations for fence heights in commercial and industrial districts. If adopted, the amendment would allow fences up to twelve (12) feet tall in the front yard (within 2 feet of the road right-of-way), side, and rear yards of these districts.

The ERC is seeking input from towns specifically regarding this proposed change. To simplify the comment process, Marathon County has provided a *Fence Regulation Comment Form* for towns to use if they wish to submit feedback. The form is included with this memo.

### **Farmland Preservation Ordinance**

Please note this comprehensive revision does not include changes to the Farmland Preservation Ordinance, which is also located in Chapter 17 but requires a separate process and state approval. That ordinance will be reviewed after completion of the current comprehensive revision.

### **Timeline for Chapter 17 Revision**

<b>January 6, 2026</b>	ERC Public Hearing (Final Draft presented to ERC)
<b>January 2026 (TBD)</b>	Adoption by County Board, Updated Chapter 17 goes into effect.

**Subject:** Zoning and Subdivision Inquiry – Potential Lot Split in Town of Easton

Good Afternoon Sherry,

I'm reaching out regarding a 2.6-acre parcel I'm evaluating for rural residential home development in the Town of Easton, Marathon County. I've spoken with Marathon County's Conservation, Planning, and Zoning (CPZ) Department, who informed me that the parcel is zoned G-A as a legal non-conforming lot. They also informed me that the Town of Easton maintains a 2 acre minimum lot size for residential parcels. This lot is triangular in shape and is located east of Eau Claire River Road and north of Couty Road Z.

I'm exploring the possibility of sub-dividing the parcel into two separate ~1.3 acre lots to construct one obtainable single-family home targeted to young families on each lot. I would be acting as both the designer and general contractor for the project, using local sub-contractors for construction.

Could you give me some more information as to the feasibility of such a sub-division, weather I could re-zone to R1 or obtain a variance? If so, what would the re-zoning or variance procedures be? I appreciate your guidance and look forward to working with the Town on a project that aligns with Easton's rural character and community needs.

A little about me, I personally grew up nearby in Bevent working construction most of my early life, I have since been trained as an Architectural Designer. I am now creating a Design-Build business to serve young families in Central Wisconsin, helping them obtain affordable homeownership and the beauty of rural community.

Best regards,

**Dylan Groshek**
